PRAYER RESOURCE

w/c Sunday 13th February 2022

'There is nothing that makes us love someone so much as praying for them.'
(William Law)

This week we give thanks for:

- Each new day and each sunrise, and reflect in wonder at God's love of uniqueness.
- People in all walks of life who make a difference to our world, our country, our communities and our church.

Please pray for:

- The people of Afghanistan where, under the new government, there are few jobs, little money and children are malnourished because families cannot afford food or basic essentials.
- Children around the world who have not had the education they deserve, and those who are vulnerable because they are not in school; pray for their protection and for the best solutions to the problems they, and their families and communities, face.
- The homeless and hungry, especially praying for the volunteers, staff and guests at Maidstone Winter Shelter, and for all in Maidstone who are struggling to make ends meet.
- In our Church family, all who are housebound, lonely or unwell; for Joan, Gilly, Barbara, Hazel, Edith, Peter, Sheila, Pat, Alice, Jill and for Trevor, who is recovering in hospital following a fall; and in our wider church, for Ruth, Joan and Helen.
- Your neighbours and the people living around you; as you walk or drive around your area, pray for their needs and well-being.

You may like to use this prayer during the week:

Lord, open my eyes to see you, even in the most human of encounters. Remind me that you are in each one of us, and that when I serve others, I am serving you. Amen.
