FOOD BANK

The next collection will be on Friday 24 October.

PRAYER RESOURCE

week beginning Sunday, 28th September 2025

'Let the waters swarm with fish and other life. Let the skies be filled with birds of every kind...'
(Luke 11:1)

We give thanks for:

- The exuberant diversity of God's creation.
- Those who raise their voices when seas and waterways are polluted for commercial gain.

Please pray for:

- All who are going hungry in our world and for ways to help those who are less fortunate than ourselves.
- People living in the path of the typhoon which has already hit parts of the Philippines causing widespread flooding, landslides and damage to infrastructure, and with further warnings issued to neighbouring countries to evacuate communities and suspend vulnerable services.
- A viable and sustainable solution, even if it means taking difficult steps. to slow down the subsidence of areas around the world that are particularly vulnerable to a combination of rising sea levels, mainly driven by climate change and sinking land.
- Careful thought when considering the expansion of UK airports, especially if we intend to meet our target of becoming net zero by 2050; if these expansions go ahead, pray that urgent, positive ways are found to reduce aircraft emissions.
- A positive undertaking to protect the seas and rivers in this 'Garden of England' where God has placed us.
- Our Church family, especially all who are struggling; and for Edith, Pat, Alice, Jill, Sandra, Brenda, Elizabeth, Carol, Di, Ray, Percy, Paul and Brian W; and for Meaghan, Alan and Alison.

You may like to use this prayer during the week:

Lord, turn me from indifference to awe, from consumption to cherishing and equip me to partner with you in enabling all creation to thrive. Amen

Want to know more about our Priest, Claude? October is Black & Global Majority History Month, so why not have
