PRAYER RESOURCE

week beginning Sunday, 9th November 2025

'Remembrance is acknowledging that a life was lived....' (Leo Tolstoy)

This week we give thanks for:

- People and places grown ever more precious through continued recollection; and where memories are tinged with pain or regret, may we know God's peace and grace.

Please pray for:

- Our Armed Forces serving at home and abroad: pray for their protection and for courage for each task they face; let us also remember the toil warfare takes on our planet.
- God's blessing on all who attend Remembrance Services this weekend and for them to know His love in their sadness.

- Peace: for the oppressed, exploited, hungry, homeless, the sick and suffering; help us to hear their cries and to respond in Jesus' name.
- All caught up in the recent acts of violence or natural disasters, and that they will be cared for and supported by their families, friends and emergency service staff.
- Those campaigning and working for the well-being of all living things on our planet, and for greater understanding of the countless inter-relationships.
- Our Church family, especially all who are struggling; for Edith, Pat, Alice, Jill, Sandra, Elizabeth, Carol, Di, Ray, Percy, Paul and Brian W; and for Meaghan, Alison and Simon.
- Look back and reflect, allowing God's presence to enhance your memories and bring comfort when remembering difficult times.

You may like to use this prayer during the week:

Father God, remind me, lest I forget, of the debt I owe – the life made possible through the death of others. May I cherish and nurture the things they died for, liberty, justice, peace, so that their sacrifice will not have been in vain. Amen.

Dwelling in the Word:

For practitioners – from those who have 'had a go' leading Dwelling to those who do so often

Online: **Monday 10 November 2025, 7 pm – 9 pm or Wednesday 12 November, 2 pm – 4 pm**

A free interactive webinar on this spiritual and missional practice for anyone who has led, or leads, Dwelling in the Word. You'll be able to share your experience, learn more about how to lead Dwelling well, and leave better equipped.

Dwelling in the Word is a "faithful and disruptive" spiritual and missional practice that is used by churches and groups all over the country. This "roundtable" webinar will draw together anyone leading the practice, from those who have long experience with it to those taking their first steps. In an interactive online environment we will learn together, understand the impact that Dwelling can make, and aim to give it life for the future of our churches.

We will:

- Dwell in the Word together
- Learning from that experience of Dwelling with a 'balcony view'
- Share and work together on our wider experiences, questions and insights

No need to book, but if you're interested and want to know more, contact Steve Coneys (sconeys@diocant.org)
