Fellowship Prayer

O Lord, who has gathered us together as members of one body, grant that we may realise our responsibility, all to each and each to all. May truth, purity and brotherly kindness abound among us. May thy blessing rest upon our work, our recreation and our homes. May thy name be hallowed in our midst and thy peace guard our hearts. Through Jesus Christ our Lord. Amen

Several of our regular members are too poorly to attend meetings at the moment.

Please remember in your prayers: Brenda Peal, Jill Brazier, Percy Cartwright and Cynthia Johnson.

On Thursday 19th March we will have a games afternoon. We have a variety of games for you to enjoy including; Scrabble, Monopoly, Pictionary, chess, draughts, dominoes, Shut the Box, Rummicub, Jenga and playing cards. Please let me know if there are any other games you particularly like.

Events at St Paul's

Reverend Claude will be Leading a Lent Course at St Paul's, on the theme of Difference, on Tuesday Mornings in March. The course will start at 10.00 am and run for approximately 90 minutes.

Reverend Claude invites any of the congregation to stay for a light lunch (menu still to be decided) after the 10.30 am service on Sunday 22nd March. St Paul's PCC meeting will follow the lunch.
