Fellowship Prayer

O Lord, who has gathered us together as members of one body, grant that we may realise our responsibility, all to each and each to all. May truth, purity and brotherly kindness abound among us. May thy blessing rest upon our work, our recreation and our homes. May thy name be hallowed in our midst and thy peace guard our hearts. Through Jesus Christ our Lord. Amen

St Paul's Fellowship Group

Many thanks to those of you who attended our games afternoon in March. Everyone enjoyed playing and catching up with friends.

On Thursday 16th April we welcome back Alison May and her Guide Dog, Spencer. Alison is an old friend and once again will regale us with stories and light hearted anecdotes of her life. Do try to join us for her talk, which will be both entertaining and inspirational. Remember friends, neighbours and family are most welcome for the guest fee of £2 per session. There will be a collection for Guide Dogs after the talk.

Our outing on Thursday 21st May will be to Merriments Gardens, Hawkhurst Rd, Hurst Green, Etchingam TN19 7RA This venue comes highly recommended by several of our members. Situated in East Sussex, it is described as a vibrant four acre garden and a haven of rich seasonal colour and imaginative planting schemes. There are the usual facilities of parking, toilets, accessibility and refreshments. If you don't know Merriments it will be an opportunity to explore new vistas and water features as well as enjoying the well-stocked café. Transport will be provided if required. Entry tickets need to be purchased online, so the cost of £13 will be collected in advance, either on 16th April or when I see you in Church.

Events at St Paul's

There will be a Quiz and Ploughman's Supper on Saturday 25th April at 5.30 pm

Further details are available in Church where there is also a sign-up sheet.

Several of our regular members are too poorly to attend meetings at the moment.

Please remember in your prayers: Brenda Peal, Jill Brazier, Percy Cartwright, Di Austin and Cynthia Johnson.
