

Prayer Resource

week beginning Sunday, 28th June 2026

'Father God, thank you for the examples you have given in your word to help us pray.'

This week we give thanks for:

- Churches around the world working with local communities to make a positive difference by addressing poverty, education and disaster resilience in their neighbourhoods.

Please pray for:

- An end to violence, suffering and displacement across the world and for more focus to be put on peacebuilding opportunities.
- Our Government during this time of change: for the parliamentary process of appointing a new Prime Minister and the inevitable changes in the Cabinet to be carried out smoothly and compassionately.
- The many people living in heat hotspots in Britain and especially for those living in deprived areas, the elderly and the very young who are most at risk from severe heat.
- The vital need for sustainable solutions like solar-powered boreholes and community-managed water towers in areas of the world experiencing water poverty due to a combination of climate change accelerating desertification and a drop in groundwater levels, a harsh semi-arid climate and a lack of modern infrastructure.
- Our Church family: especially all who are struggling; and for Edith, Alice, Jill, Sandra, Brenda, Elizabeth, Carol, Di, Ray, Percy, Paul, Jan S, Jan H and Trevor; and for Meaghan, Jeni and Wendy.
- God's gracious dealings in your life – look for the kindness of the Lord extended to you through the good deeds of others, and extend that kindness to others through your good deeds.

You may like to use this prayer during the week:

Lord, you search me and know me: may I rely on you in strength and rest on you in weakness, now and always. Amen.
